

Robert Hoke

Vice President, Corporate Support
Belco Community Credit Union

Robert Hoke in his role as Vice President of Corporate Support for Belco Community Credit Union brings 3 decades of experience and leadership in multiple areas of expertise. Under his direction, Belco's Corporate Support team excels in providing excellent facilities and environments for members to conduct their financial business.

Responsible for the management, direction and operation of the Corporate Support Departments, Bob plans and directs the development of compliance, real estate management, contract and vendor management, facilities management, physical safety and security and corporate support.

Bob began his career at Belco in 1987, and through his tenure has led or been involved in nearly every aspect of the credit union. These areas include Finance, Board and Supervisory Committee reporting, Asset Liability Management, Human Resources, Recruitment and Training, Pension Oversight, Compliance, Mergers and Acquisitions, Business Lending Committees, Chartering and Regulatory Applications, Real Estate Management, Contract and Vendor Management and Facilities Management and Strategic Planning.

Through leading Corporate Support operations for Belco, Bob enjoys the complexities of his role as every opportunity and challenge can be different daily.

Robert attended Harrisburg Area Community College and is a Certified Credit Union Executive through the CUES CEO Institute.
